

PROTEST THE ENOLA GAY

At the Steven F. Udvar-Hazy Center in Chantilly, Virginia

Monday
Dec 15th
11am

at the Enola Gay Exhibit

“Regarding the Smithsonian Exhibition of the restored B29 Bomber, Enola Gay, we cannot repress our deep astonishment and anger. To exalt the Enola Gay - which caused an unprecedented atrocity is completely unacceptable to the atomic bomb victims of Hiroshima and Nagasaki.”

—Japan Confederation of A and H Bomb Sufferers Organizations
